LONG ISLAND NEUROLOGY CONSULTANTS

OFFICE POLICIES

YOUR UNDERSTANDING OF OUR POLICIES IS AN ESSENTIAL ELEMENT OF YOUR CARE AND TREATMENT. IF YOU HAVE ANY QUESTIONS, PLEASE DISCUSS THEM WITH OUR FRONT OFFICE STAFF.

Our telephone lines are open from 8:00 AM to 4:00 PM Monday through Friday. Doctor's visits are by appointment only.

If you have an urgent health concern outside of business hours, please call our office and our service will assist you to page the physician on call. Please remember this is for emergency issues which cannot wait until the office re-opens. Please remove the caller ID block to allow us to reach you. If you are experiencing a medical emergency, call 911 or go directly to your nearest emergency department. Our office is affiliated with Mount Sinai South Nassau Hospital if you require in-patient care.

It is our policy to confirm all appointments three days ahead of time. We have an automated system in place which makes the initial confirmation call. You will also be notified by text message and by e-mail. It is necessary for you to use this system to confirm or cancel your appointment. This will avoid further calls to your home. If we do not hear back from you after the 3rd call, your appointment may be cancelled to accommodate emergencies. If you need to speak with a person regarding your appointment, our office telephone number is 516-887-3516. Press option #2 or leave us a message on extension 202 and we will return your call. Upon cancelling or rescheduling an appointment, our office requires the courtesy of a forty-eight (48) hour notice; otherwise, you may be charged a \$50.00 cancellation fee. A \$50.00 fee will be charged to those patients with repeated no shows. **APPOINTMENT TIMES ARE EXTREMELY VALUABLE TO OUR PATIENTS.**

We require a copy of your insurance card and your license or photo identification at the time of service to protect you from insurance fraud.

You must inform the office of all insurance changes and authorization/referral requirements. In the event the office is not informed, you will be responsible for any charges denied.

Your insurance policy is a contract between you and your insurance company. As a courtesy, we will file your insurance claim for you if you assign the benefits to the doctor directly. In other words, you agree to have your insurance company pay the doctor directly. If your insurance company does not pay the practice within a reasonable period, we will have to contact you for assistance.

Co-pays are due at the time of your appointment as well as any balance for deductible and co-insurance. Unless other arrangements have been made in advance by you or your health insurance carrier, payments for any deductibles or co-insurance are due at the time of service. For your convenience, we accept cash, checks, and most major credit cards. If a co-pay is not paid at the time of your visit, a \$25.00 surcharge will be applied. There is a service fee of \$30.00 for all returned checks. There will be no exceptions to this policy.

Past due accounts are subject to collection proceedings. All costs incurred including, but not limited to, collection fees, attorney fees, and court fees shall be your responsibility in addition to the balance due to this office.

In keeping with meaningful use requirements regarding EHR/EMR, electronic access to your chart can be obtained via the internet. In addition, electronic copies of patient health information, patient summary records, and clinical summaries can be provided electronically. Moreover, patient specific clinical reminders may also be sent electronically based on certain clinical criteria. Please inform our office if you wish to obtain access to our patient portal.

In an effort to encourage overall health, our electronic medical record recognizes concerns about weight and elevated blood pressure. Your Body Mass Index (BMI) calculates your weight based on your height. Normal BMI parameters are: for ages 18-64, BMI ≥ 18.5 and < 25 and for ages 65 and older, ≥ 23 and < 30 . If your BMI is outside of this range, our system will place a comment

on your office visit note to your primary care provider. We encourage our patients to use several on-line resources such as those from the American Heart Association (AHA) for education about weight monitoring, diet, and activity/exercise. Elevated blood pressure is an important modifiable risk factor for your vascular health. Guidelines from the American Heart Association/American Stroke Association define elevated blood pressure (hypertension) for anyone with readings $\geq 130/80$. If your blood pressure is elevated, our system will place a comment on your office visit note and we encourage you to follow up with your primary care provider for this important concern. You may also consider several on-line resources from the American Heart Association/American Stroke Association to learn more about this topic.

As our patient, you are responsible for all authorizations/referrals needed to seek treatment in this office. To verify whether your insurance requires a referral, you can contact your primary care physician or your insurance company. Your referral needs to be in place at the time of your scheduled appointment. If you are unable to obtain a referral in a timely manner, your appointment will be rescheduled to a future date. Please contact your primary care physician at least 48 hours in advance to request a referral for your visit. Health plans are not the same and do not cover the same services. In the event your health plan determines a service is "not covered" or we are not able to obtain an authorization, you will be responsible for the complete charge. Patients are encouraged to contact their insurance plan(s) for clarification of benefits prior to services rendered.

As of March 27, 2016 NY State law requires all prescriptions, including controlled substances, to be transmitted electronically. If you need a refill on your medication, please contact your pharmacy. Your pharmacy will make the request to our office via internet. Please allow 24 to 48 hours before you check with your pharmacy if the prescription has been filled. You may also use our **patient portal** at www.lineurology.com, under patient information click on patient portal or myehr123.com/lineuroportal to request a prescription refill. Please include the following information in your message request: Patient name, name of the medication, dosage, and pharmacy's name and number. If you have further questions, please contact our prescription liaison at 516-887-3516 select Option #5 or ext. 118. You must also be able to provide an unblocked telephone number where we can reach you in case of any questions or problems. Allow 24 hours for phoned in refill requests to be processed.

We will make every attempt to notify you of all test results when they become available. HIPAA compliance allows us to leave this information on your voicemail (unless you specify otherwise).

Medical forms that need to be completed by the Physician will require two weeks notice for processing. All forms need to be dropped off at our main office located at 360 Merrick Road 1st floor, Lynbrook NY 11563. Be sure to complete and sign any patient sections. You will be contacted by our office when the form(s) is ready to be picked up. Likewise, if you need a letter on your behalf from the Physician, it will require the same time to process. Please call the office and advise the staff of the specific details you need included in the letter. Forms and letters cannot be processed at the time of your appointment. In many cases, there may be an additional charge to complete forms.

I have read and understand the office policy of Long Island Neurology Consultants. It is my responsibility to abide by the rules and regulations and agree to the above policies.

We will do our best to contact your insurance company, before your care, to verify your benefits and notify you of your patient's responsibility. Payment is expected at the time of service unless other financial arrangements have been made prior to your visit. Your itemized receipt should be attached to your insurance form and sent to your carrier, who will reimburse you directly.
